In August of 1995, Neiman was inducted into the Pennsylvania American Legion Hall of Fame. Tyler Kavanaugh enters his first season as an assistant coach for the Bulldogs. At DeSales, Kavanaugh's primary duties include running the recruiting efforts, coordinating practices, coaching first base on game days, working with the Bulldogs catchers, and monitoring the strength and conditioning program. He arrives at DeSales after serving as an assistant coach at Purchase College for two seasons. While at Purchase, he assisted in all facets of the program. In addition to coaching at Purchase, Kavanaugh served as head coach for the Connecticut Lawmen in the Tri-State Collegiate Baseball League during summer 2008. ## ADDITIONAL CAMP INFORMATION

We invite you to join us this summer for an exciting session of baseball. If you have the desire to improve your game, expose your skills, open college doors, and work with highly qualified coaches, this camp is essential for your development. The Prospect Camp will evaluate your abilities, teach detailed skills and enlighten you to the college game. This will be accomplished in a highly organized professional environment. All players will also be exposed to the scenic campus of DeSales University.

The DeSales University Prospect Camp has been developed as a highly instructional baseball experience. We will assemble a staff of college coaches dedicated to teaching the skills necessary to reach the collegiate playing level. The camp provides an environment that promotes discipline and hard work.

By working side by side with college coaches during the week, you will have the opportunity to examine their philosophies about the game. Each player will have a better understanding of every college that is represented at the Prospect Camp.

Players will be divided by age and ability during the week. The typical grouping of campers is 9th & 10th grade and 11th & 12th grade. Players have the opportunity of being elevated to a higher grouping if they display the ability and desire to compete at that level.

Whether you are a junior or senior aspiring to be a college ball player, a freshman or sophomore looking to make an impact on your varsity program, or a rising young star looking for something extra in developing your game, the DeSales University Prospect Camp is an experience you don't want to miss.

If you have any additional questions please feel free to contact us by calling Coach Kavanaugh, **203-561-6839** or by email: **tk03@desales.edu**
